Attendance Policy

Moor House School & College is committed to providing an education of the highest quality for all its students and recognises this can only be achieved by supporting and promoting excellent school attendance for all. This is based on the belief that only by attending school regularly and punctually will children and young people be able to take full advantage of the educational opportunities available to them. High attainment depends on good attendance.

The whole school community – students, parents and carers, teaching and support staff and trustees– have a responsibility for ensuring good school attendance and have important roles to play. The purpose of the policy is to clarify everyone’s part in this.

The policy has been drawn up based on current government and guidance and statutory Regulations. The school will ensure that all members of the community know of the policy and have access to it.

All at Moor House School & College have a key role to play in supporting and promoting excellent school attendance and will work to provide an environment in which all our students are eager to learn, feel valued members of the school community and look

forward to coming to school every day. Staff also have a responsibility to set a good example in matters relating to their own attendance and punctuality

The Principal will oversee, direct and co-ordinate the school's work in promoting regular and improved attendance and will ensure the Attendance Policy is consistently applied throughout the school. As the Attendance Leader, the Principal will ensure that up-to-date attendance data and issues are shared with the Senior Leadership Team, are made regularly available to all staff, students and parents (who will regularly be reminded about the importance of good school attendance) and that the Governors are fully aware of attendance data and targets. The Principal will ensure that attendance issues are identified at an early stage and that support is put in place to deal with any difficulties.

The school is required to mark the attendance register each day. The school office will enter the registration information into the school management system SIMS. Students in Moor House College are required to advise partner colleges if they are absent. This is done by contacting the college's absence line. While students are encouraged to be as independent as possible in doing this, staff within MHC will advise the partner college if necessary. Parents and students should be aware that authorisation of absence at MHC does not automatically mean that absence from a partner college will be authorised.

Categorising absence

A mark will be made in respect of each child following the close of the registers. Any child who is not present will be marked unauthorised absence unless leave has been granted by the school in advance or the reason for absence is already known and accepted by the school as legitimate. Where a reason for absence is given and accepted by the school at a later stage, it will be recorded in such a way that the original entry and the amendment / correction are distinguishable. The decision about whether the absence should be authorised or unauthorised rests with the Principal.

Moor House School & College recognises the clear links between attendance and attainment, and attendance and safeguarding children. It recognises that inappropriate authorisation of absence can be as damaging to a child's education as authorised absence, will potentially send a message to parents that any reason for non- school attendance is acceptable and can render children extremely vulnerable to harm. If absence is frequent or continuous, except where a child is clearly unwell, staff at the Moor House School and College will challenge parents about the need and reasons for their child's absence and will encourage them to keep absences to a minimum. A note or explanation from a student's home does not mean an absence becomes authorised. The decision whether or not to authorise an absence **will always rest with the school**.

If no explanation about an absence is received by the school **within 2 weeks**, the absence will remain unauthorised.

Absence will be authorised in the following circumstances:

- Where leave has been granted by the school in advance, for example –

- A student is to participate in an approved performance
- A student is involved in an **exceptional** special occasion – in authorising such an absence the individual circumstances of the particular case and the student's overall pattern of attendance will be considered
- Where the school is satisfied that the child is too ill to attend
- Where the student has a medical appointment (although parents should be encouraged to make these out of school hours wherever possible, and to return their child to school immediately afterwards – or send him / her to school beforehand
- Where there is an unavoidable cause for the absence which is beyond the family's control, e.g. extreme weather conditions
- The absence occurs on a day exclusively set aside for religious observance by the religious body to which the student's /student's parents belong
- The student lives more than two miles (if he/she is under eight) or three miles (if he/she has reached eight) and no suitable transport arrangements have been made by the Local Authority
- The student is excluded
- In other **exceptional circumstances** (e.g. a family bereavement) and **for a very limited period**

Except in the circumstances described above, absences will be unauthorised. Some examples of reasons for **not** authorising absence would be:

- No explanation has been given by the parent
- The school is not satisfied with the explanation
- The student or parents are staying at home to mind the house
- The student or parents are shopping during school hours
- The student is absent for **unexceptional** reasons, e.g. a birthday
- The student is absent from school without prior permission
- The student has been stopped during a truancy sweep and is unable (or the parent is unable) to give a satisfactory reason for the absence
- The student is on holiday in term time- where prior permission has not been granted.

Approved educational activity

Where a student is engaged in off-site approved educational activities, the school and college will check his/her attendance on a daily basis before entering the appropriate code in the register.

Absences after close of class registers

Any sudden absences that occur during the day will be picked up immediately by the class teacher and reported to the school office. The school office will advise the Principal.

Collection and analysis of data

Attendance is monitored by year group and by reasons for absence.

Systems and strategies for managing and improving attendance

Parents are regularly reminded in newsletters and school meetings about the importance of good attendance and its links to attainment.

Moor House School and College has procedures for dealing with unexplained absences within a week. The school office will contact the families for an explanation of absence and refer to the Principal.

First-day calling

Moor House School and College has in place a system of first-day calling. This means that parents will be telephoned on the first day if a student is absent without explanation to establish a reason for the absence. This helps to identify at an early stage students who do not have a good reason for absence or who may be absent without their parents' knowledge. Where it is not possible to make contact with parents on the first day of absence, the school will send a letter to them by first class post. Social services may be contacted in certain circumstances.

Lateness and punctuality

Students are expected to arrive at school on time every day. It is very disruptive to their own education and that of others in their class, if they are late. Students who arrive after the register closes will be marked absent for the whole session (a session being a morning or an afternoon). This absence will be unauthorised unless the school is satisfied that there is a legitimate reason for the student to be late. Such a reason will not include things such as missing the bus, clothes in the washing machine or lost shoes. A student who is persistently absent by reason of lateness will be dealt with in the same way as other students with an emerging pattern of absence. If the matter is not resolved quickly, it will be referred to the Education Attendance Service.

For health and safety reasons it is important that the school knows who is in the building. Students arriving late should therefore report to the school office to sign in. It is important that all students arriving late follow this procedure.

For the same reason it is important that parents of students leaving the premises legitimately (e.g. for a medical appointment), or returning to school later in the day inform the school office. The school office will record that the child has left the school site and will mark them back in when they return.

Post-registration truancy

Post-registration truancy occurs when a student goes missing from school having previously registered for the session. This behaviour not only means the student will not be receiving a full-time education, it also potentially renders him/her vulnerable to harm. Moor House School and College takes this very seriously and will endeavour to ensure it does not

happen. If, however, a student appears to have left the premises without authorisation, the school will try to make contact with his/her parents immediately, consult the risk assessment for that student and report as a missing person accordingly. (See Missing Student's Policy for more detail)

Term-time Holidays

Term-time holidays are intended for children whose parents are unable to take holiday at any other time. Moor House School and College will consider every application individually, its policy is **NOT** to grant leave of absence for a holiday other than in the most exceptional circumstances. Time off school for family holidays is not a right. An application must be made in writing using the appropriate form (see appendix 2), with appropriate evidence, in advance of the intended holiday.

Moor House School and College will consider authorising holidays for:

- Service personnel and other employees who are prevented from taking holidays during term-time
- When a family needs to spend time together to support each other during or after a crisis
- Parents who are subject to a strict and un-negotiable holiday rota and evidence is provided to this effect

Requests for holidays for the following reason will not be authorised:

- Cheaper cost of holiday
- Availability of the desired accommodation
- Poor weather experienced in school holiday periods

Moor House School will respond to all requests for a leave of absence using the appropriate form (see appendix 3) giving the reasons for the decision.

Moor House School and College will **NOT** authorise a holiday during periods of national tests, i.e. SATS and GCSE examinations.

Extended leave of absence

In considering absence for extended trips overseas Moor House School and College will take account of the following:

- A visit to family overseas has a very different significance from a normal 'holiday'
- Such visits may be important in terms of children's identity and self-esteem as they grow up
- Parents may feel that the reasons for their visit outweigh the importance of their child's uninterrupted attendance at school (although parents could be encouraged to use the school holiday periods for at least part of their trip)
- The reasons for wishing to make a visit is more difficult, particularly for minority ethnic families, where huge distances and high costs are involved
- Where extended leave of absence is granted there will be an expectation that the student undertakes some school-set work during this period

Parents'/Carers' responsibilities

The prime responsibility for ensuring children receive an appropriate and full-time education rests with parents/carers (defined by the Education Act 1996 as those with parental responsibility and those who have the care of a child), who will be supported and encouraged by Moor House School.

Moor House School and College expects parents/carers will:

- Ensure their children attend the school and college regularly
- Support their children's attendance by keeping requests for absence to a minimum
- Not expect the school and college to agree automatically any requests for absence, and not condone unjustified absence from school or college.

Parents will also be expected to:

- Notify Moor House School and College on the first day of absence by telephone or reporting directly to the school office
- Ensure their children arrive at school or college on time, properly dressed and with the right equipment for the day
- Work in partnership with the school and college, for example by attending parents' meetings and consultations, taking an interest in their children's work and activities
- Contact the school and college without delay if they are concerned about any aspects of their children's school lives

Moor House School and College will endeavour to support parents to address their concerns.

Students' responsibilities

All students should be aware of the importance of regular school attendance. If they are having difficulties that may prevent them from attending school regularly, they should speak to their class teacher. Students should attend all their lessons on time, ready to learn. Students have a responsibility for reporting to the school office if they arrive late.

Meetings with parents

Where there is an emerging pattern to a student's absence over a 3 to 4 week period (or sooner if staff are particularly concerned), with or without explanation, the school or college will invite parents to a meeting to discuss the reasons for the absences. Plans should be put in place with the parents and student to resolve any difficulties and improve the attendance within a specified time limit – usually no more than 6 weeks. It will be explained to parents that any future absences will be unauthorised unless there is clear evidence of a good reason for them.

Referral to the Education Attendance Service

If there continue to be unauthorised absences by the end of the specific time (or sooner if the student is failing to attend school or college at all), the matter will be referred to the Education Attendance Service of the local authority placing the student.

Penalty Notices

The Education Welfare Service may issue a Penalty Notice as an alternative to the prosecution of a parent/carer for their child's unauthorised absence from school or college and requires the recipient to pay a fixed amount.

The amount payable on issue of a Penalty Notice is £60 if paid within 28 days of receipt of the notice, rising to £120 if paid after 28 days but within 42 days.

If the Penalty Notice is not paid within 42 days, the Local Authority must prosecute the parent/carer for failing to ensure regular school attendance under Section 444 Education Act 1996.

Circumstances when a Penalty Notices may be issued

- A Penalty Notice may be issued to parents/carers who are failing to secure their child's regular school attendance and are failing to engage with supportive measures to improve attendance proposed by the school or Education Welfare Officer.
- Where a child is taken out of school for a holiday during term time for 5 days or more without the authority of the head teacher, **each parent** is liable to receive a penalty notice for each child. In these circumstances, a warning will not be given where it can be shown that parents had previously been warned that such absences would not be authorised.
- Pupils identified by police and education welfare officers engaged on Truancy Patrols and who have incurred unauthorised absences.

A GUIDE FOR PARENTS

1. When does my child need to be in School/ College?

Your child should be at school by 8:30 am but not before 8:15 am to be ready to go into class at 8:45am.

The register is taken at 8.55am. Afternoon school starts at 1:45 p.m. (Monday, Tuesday and Thursday) 2pm on Wednesday and 12.45 on Friday.

2. What happens if my child is late?

- Registration finishes at 9.30 in the morning and 30 minutes after the commencement of the afternoon session.
- Students who arrive after registration should report to the school office.
- A series of unauthorised late marks may lead to referral to the EWO (Education Welfare Officer)

3. Does the School/ College need letters explaining my child's absence or will a phone call do?

We would expect a parent to telephone the school on the first day of absence. We will telephone you if your child has not arrived in school by 9:30 am. On return to school, a letter explaining the absence is expected. If we do not receive an explanation, or if the explanation is unsatisfactory, we will not authorise the absence.

If we are concerned about aspects of your child's attendance or punctuality we will contact you to discuss the best way forward.

An accumulation of unauthorised absences will lead to a referral to the Educational Welfare Service.

4. What reasons will the school accept for absences?

- Illness
- Emergency dental/medical appointment (Please make routine appointments after school or during the holidays)
- Day of religious observance
- Family bereavement
- Attendance at special events e.g. graduation ceremonies, family weddings

Except in the case of illness, you should ask for permission for your child to miss school / college well in advance, giving full details. In cases of recurring absences through illness you may be asked to produce a medical certificate.

5. What is unacceptable?

The school and college will not authorise absences other than those in exceptional circumstances. Family holidays, day trips, shopping or birthdays are not classed as exceptional.

6. Can we take family holidays during term-time?

Family holidays should be taken during school holidays.

7. I am thinking about sending my child on an extended absence for an overseas trip to visit relatives. What should I do?

We recognize that it is important that families are in contact with each other, but these visits must take place during the school holidays.

8. What can I do to encourage my child to attend school / college?

Make sure your child gets enough sleep and gets up in plenty of time each morning. Ensure that he/she leaves home in the correct clothes and properly equipped. Show your child, by your interest, that you value his / her education.

9. My child is trying to avoid coming to school/ college. What should I do?

Contact your child's class teacher immediately and openly discuss your worries. Your child could be avoiding school for a number of reasons – difficulties with school work, bullying, friendship problems, family difficulties. It is important that we identify the reason for your child's reluctance to attend school and work together to tackle the problem.
