

Dear CEN members,

Welcome to the start of the new academic year.

Thank you to those of you who contacted the CEN team to make them aware of topics you are interested in for future CENs. Two of the main areas of interest noted were narrative skills and attention and listening skills in children and adolescents with Language Impairment.

We are delighted to announce that we have secured a phenomenal speaker to cover both of these topics at our next CEN meeting.

Our next CEN is going to be a little bit different.

The meeting will run for a **whole day**, from 9am until 4:30pm.

Our speaker will be Maggie Johnson. Maggie will run two workshops during the day.

Morning: "Order! Order!" Developing Narrative Through Self-organisation and Awareness of Time.

Afternoon: Helping Children Hang on to Your Every Word Improving Attention and Listening.

If you would like to attend the next CEN in November, please contact nicoll@moorhouseschool.co.uk to secure and confirm your place. Places are limited so it is important to book as soon as you can. Please note that if you have not booked a place on the CEN, you may not be able to attend on the day if we have reached full capacity.

If you have any questions about the CEN, please check our CEN webpage on <http://www.moorhouseschool.co.uk/cen> or contact Lucy Nicoll on nicoll@moorhouseschool.co.uk .

Kind regards,

The Surrey SLI CEN Team
